

**ARDUO LED**  
AL22700 Series  
IP65

**Technical features**

- Power: 17W (System power 19.5W)
- Colour temperature 5000K as standard
- Available in 12" or 24" versions
- Available with half eyelid cover
- Heavy-duty die cast aluminum housing and top frame with powdercoat finish
- Can be tapped for side conduit entry
- LumaLens clear polycarbonate vandal-resistant lens
- LumaFit LEDs on aluminium boards
- Surface mount with included brackets (optional adjustable brackets available)
- Dimmable driver
- 5 year warranty
- Rated life: 50,000 hours
- Voltage 120 - 277V, 50/60Hz
- Operating temperature -40°C ~ + 40°C

**Applications**

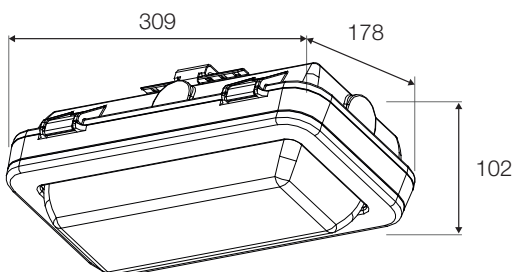

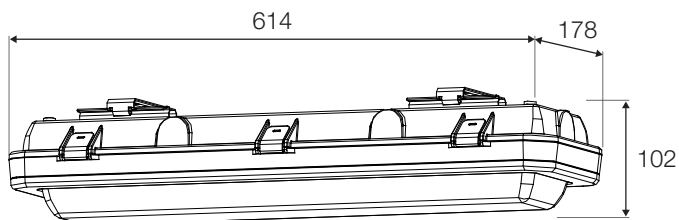

- Amenity

**Colour**

- Black
- White
- Bronze
- Grey
